

DREAMers, are you applying for consideration of deferred action?

One of the requirements is that individuals are currently in school, have graduated from high school, have obtained a GED, or are an honorably discharged veteran of the Coast Guard or U.S. Armed Forces.

It's not too late to earn your high school diploma!

Genesis Academy specializes in serving 14-21 year olds who are behind in their credits but still wish to earn their diploma and attend college.

"Genesis developed my skills in a caring environment, giving me a solid foundation for my future. Their on-going support after graduation has been a great factor in my academic success."
