- Rising Youth Theater
- School of Hip-Hop
- Construction Club
- Dungeons & Dragons Club
- Los Literati Club
- Aztec Basketball and Cheer

Genesis City is a non-profit youth services agency located in downtown Phoenix, Arizona which also houses an alternative high school, Genesis Academy. Our organizational mission is to reclaim the promise of Arizona's disenfranchised youth by providing them with the tools they need to become active contributors to the economic and social welfare of their communities. We have been serving our community's most needy youth and their families for the past 30 years and have a successful track record of breaking the cycle of generational poverty in just one generation.

Tax Credit  
DONATION FORM  
Please Print Clearly

**HERE'S HOW THE TAX CREDIT WORKS:**

**The Credit:** Donations to any Genesis City Program are eligible for the Contributions to Qualifying Charitable Organization (QCO) tax credit.

**The Amount:** Donations to Genesis City - up to \$421 for individuals or \$841 for couples filing jointly are eligible for the credit

**How It Works:** Unlike a tax deduction, a tax credit directly reduces the amount of taxes you owe to the state, dollar for dollar. This means a donation of \$421 can reduce your tax liability by \$421. If your tax is reduced to zero, you can carry the unused credit forward for the next five years. This allows you to donate to programs that help our youth and their families and you get your money back - it's like donating for free.

**How To Claim:** As long as you pay income taxes in the State of Arizona, your donations to Genesis City can be eligible for the credit. Just report the amount you donated to Genesis City on Form 321, and total your tax credits on Form 301. You do not need to itemize your tax return to qualify for tax credits. Our QCO number is 22298

**ARIZONA SCHOOL TAX CREDIT**

Here's how the tax credit works:

**The Credit:** Donations to Genesis Academy are eligible for the Public School Tax Credit. The Amount: Donations of up to \$200 for individuals or \$400 for married couples filing jointly are eligible for the credit.

**How It Works:** The Public School Tax Credit reduces the amount you owe to the state, dollar for dollar. A donation of \$200 will reduce your tax liability by \$200. If your tax is reduced to zero, you can carry the unused credit forward for the next five years.

**How To Claim:** As long as you pay income taxes in the State of Arizona, your donations to Genesis Academy can be eligible for the credit. Just report the amount you donate to Genesis Academy on Form 322, and total your tax credits on Form 301. You do not need to itemize your tax return to qualify for the tax credits. Genesis Academy's School's CTDS number is 078708000.
